Self-Exclusion

In person self-exclusions will not be available until further notice. Please do not let this stop you from excluding yourself or receiving the help you may need. Just complete the <u>self-exclusion</u> <u>form</u> and mail it to the office after being notarized.

Pictures may be emailed or attached to the form.

In addition to self-exclusion, ADG's Division of Problem Gambling offers Tribal- and State-funded treatment from our <u>list of treatment providers</u>.

If you have questions, please email: <u>Self-Exclusion Administrator</u>. Visit the <u>ADG Division of Problem Gambling website for additional resources.</u>
