- 3) After you click next, it will send an email with instructions on how to create an account to the email address you previously entered. Please click the link inside of the email.

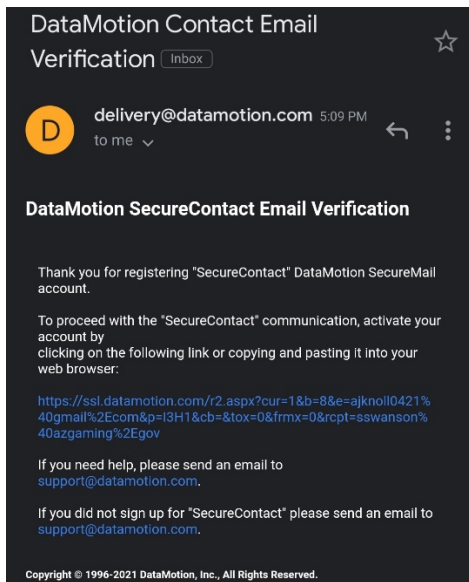

SecureContact Account Verification

Thank you for signing up for a SecureContact account. In order to activate your account and send messages, please perform the following steps.

1. A verification email was sent to the email address you provided during registration. Please open this email message.
2. Click on the message's link, or copy and paste it onto your web browser's Address field. This will bring you back to a page where you can complete your registration.
3. On the registration page provide a password and activate your SecureContact account.
4. Send a secure message.

Please note that your account must be confirmed via the verification email prior to using the SecureContact service. If you need any help, please send an email to support@datamotion.com.

The verification email will look like this:

- 4) After you click on the verification link from the email, please type in a secure password two times that meet the requirements located on the right side. Make sure to checkmark the terms of service box. Select "NEXT"

Next

- After you click next, it will bring you to the compose email screen.
The To: ****Place your email address in this location****
Type in the subject.
Attach any documents that are needed by selecting "Browse or Drop Files".
Add a body to the email.

Once you are finished, please select "SEND SECURE" which is located above the To: line.

The screenshot shows the 'Compose' screen of the Arizona Department of Gaming SecureMail Portal. At the top, there is a navigation bar with the department logo and name, and a menu with 'Compose', 'Member Center', 'Inbox', 'Track Sent', and 'Logout'. Below the navigation bar, there are buttons for 'Send Secure', 'Save Draft', 'Address Book', and 'Cancel'. The 'To:' field is empty, and the 'Subject:' field is also empty. Below the subject field, there is a 'Browse or Drop Files' button. The main body of the email is a large text area with a rich text editor toolbar above it. The toolbar includes buttons for bold (B), italic (i), underline (U), text color (A), bulleted list, numbered list, link, unlink, undo, redo, and a plus sign for more options. The text area contains the placeholder text 'Type your Secure Message'. At the bottom right of the text area, it says 'Characters: 0'. Below the text area, there are buttons for 'Add Signature' and 'Show Options'. At the very bottom of the page, there is a footer with 'Powered by DataMotion', 'Terms of Service', 'BAA', and 'Copyright'.

- If your email was sent successfully, you will receive this message.
