The Arizona Department of Gaming, in partnership with Arizona's tribes, regulates Indian gaming. Under the Arizona Tribal-State Gaming Compact, tribes with casinos contribute one to eight percent of their Class III gross gaming revenue to the state, cities, towns and counties. In Arizona, Class III gaming includes slot machines, jackpot poker, blackjack, keno and off-track pari-mutuel betting. There are currently 23 Class III casinos in the state. Tribes send contributions to the state Arizona Benefits Fund every three months.
